Our nursery is able to provide cost free childcare because families who regularly partake in the nursery also volunteer to staff the nursery. In keeping with the cooperative nature of the nursery program, we need all families to sign on and volunteer to assist in staffing the nursery. Responsibilities are light and include: signing kids in, seeing to young children's bathroom needs, as well as playing and having fun with the kids. With enough volunteers, the commitment would be only once a month. Please list your preference on Mass times that you would like to volunteer for so we can ensure that this great ministry offering can continue. (*Parents must also take a VIRTUS: Protecting God's Children session as soon as possible. Contact Chris Baker (669-0820 or cbaker@holyredeemerparish.org) for more information on how to attend a VIRTUS session)
